Condition VI.—The Government reserves a right, subject to the conditions herein-after contained, to appropriate the house at any time for occupation by any military officer or civil officer.

Condition X.—(1) The cantonment authority may, at any time, with the previous sanction of the Officer Commanding the Division, given with the concurrence of the Local Government, set apart the house for occupation by civil officers.

(2) If the house has been so set apart, the arrangement shall not be revoked without the concurrence of the Local Government.

(a) require the Lessee to let the house to the civil officer named in the notice and

(b) require the existing tenant (if any) to vacate the same.

Condition XI.—(1) Whenever a military officer or a civil officer considers that a notice should be issued in his behalf under Condition VIII, Condition IX or Condition X, he may request (in the case of a regimental officer) the Commanding Officer of his regiment, or (in the case of a departmental military officer) the local head of his department, or (in the case of a civil officer) the District Magistrate, to make an application to that effect to the cantonment authority.

(b) that the circumstances are such as to require its intervention, and

(c) that the rent offered by the officer for the house is reasonable, and

(d) if the house is vacant, that it is suitable for the residence of the officer, and

(e) if the house is occupied, that it is suitable for the residence of the officer, and that there is no vacant house in the cantonment which is suitable for his residence.

Explanation.—In considering whether a house is suitable for the residence of an officer, regard shall be had to (i) the locality in which his duties chiefly lie and (ii) his rank.

Condition XII.—(1) The house shall not be occupied for the purposes of a hospital, bank, hotel, shop or school, or by a railway administration without the previous written sanction of the Officer Commanding the Division, given with the concurrence of the Local Government.

(2) Before application is made for such sanction, the Commanding Officer of the cantonment shall certify whether or not in his opinion the number of houses in the cantonment, as compared with the strength of the existing or probable garrison, renders it likely that such occupation as aforesaid would—

(b) necessitate the acquisition of land at some future time for the extension of the cantonment.

House not to be appropriated for military or civil officer if it is occupied, with sanction, as a hospital, bank, hotel, shop or school, or by a railway administration or is otherwise appropriated by the Government.

Condition XIII.—No notice shall be issued under Condition VIII or Condition X if the house—

Condition XV.—(1) If the house is unoccupied, any notice issued under Condition VIII or Condition X may require the Lessee to give possession of the same to the proposed tenant within four days from the service of the notice.

(2) If the house is occupied, no such notice as aforesaid shall require its vacation in less than thirty days from the service of the notice.

Condition XVI.—(1) Subject to the terms of any agreement in writing between the Lessee and a military officer or a civil officer, and to the terms of this condition, every lease of the house to such an officer shall be deemed to be a lease from month to month, terminable—

(b) by one month's notice in writing to the Lessee in any other case.

(2) A notice under clause (1) of this condition must be signed by or on behalf of the officer concerned; and the Cantonment Magistrate shall, if the officer so desires, cause it to be served on the Lessee free of charge.

(3) When a military officer or a civil officer has, in pursuance of clause (1) of this condition, given up his occupation of the house without notice, and has occupied the house during a portion only of the calendar month in which his occupation ceased, he shall be liable to pay as rent for that portion a sum bearing the same proportion to the monthly rent as the said portion bears to the whole month:

Provided that the sum shall not, in any case, be less than one-fourth of the monthly rent.

Condition XVII.—If any tenant of the house, being a military officer or a civil officer, sub-lets the same without the consent of the Lessee, the sub-lease shall be voidable at the option of the Lessee.

Condition XVIII.—(1) If the Lessee considers that any rent offered by a proposed tenant and stated in a notice in accordance with Condition XIV is insufficient, he may, within a period of fifteen days from the service of such notice, require that the matter be referred by the Commanding Officer of the cantonment to a committee of arbitration.

(2) If the Lessee does not make such a requisition within the said period, he shall be deemed to have accepted the rent so offered.

(3) After such acceptance or the decision of a committee of arbitration, the amount of such rent shall not be called in question by either party except in the circumstances mentioned in clause (a) of Condition XXI.

Condition XIX.—(1) If the Lessee fails to execute any repairs to the house which any tenant, being a military or civil officer, may consider necessary, the cantonment authority may, at the request of the tenant, and if it is satisfied that such repairs or any of them are necessary, by notice in writing, require the Lessee to execute such repairs or such of them as it may consider necessary, within a period, not less than fifteen days, to be specified in the notice.

(2) If the Lessee objects to comply with any notice issued under clause (1) of this condition, he may, within fifteen days from the service of the notice, require that the matter be referred by the Commanding Officer of the cantonment to a committee of arbitration.

*The Cantonment Code, 1912.*SCHEDULE VI.—*contd.*

the tenant of the house may himself cause the repairs specified in the notice to be executed at rates not exceeding those paid in the cantonment by the Military Works Department or the Public Works Department, and may deduct the cost thereof from the rent, or otherwise recover it from the Lessee.

Condition XXIV.—(1) If the Lessee does not commence or complete, as required by Condition I, the buildings to be erected on the land, the cantonment authority may, by notice in writing, require him to remove all or any buildings or materials which he may have erected or collected thereon; and, if he fails to comply with such notice, the cantonment authority may, after giving him six hours' further notice in writing, cause such removal to be effected and recover the cost from him, and may also cancel the lease.
